The **Certified Residential Specialist (CRS)** is the highest professional Designation awarded to Realtors® in the residential sales field. Fewer than 4% of all Realtors® hold CRS designation. The CRS Designation recognizes professional accomplishments in both experience and education.

The **Accredited Buyer's Representative (ABR®)** designation is the benchmark of excellence in buyer representation. This coveted designation is awarded by the Real Estate Buyer's Agent Council (REBAC), an affiliate of the National Association of REALTORS®, to real estate practitioners who meet the specified educational and practical experience criteria.

A **Certified Investor Agent Specialist™ (CIAS)** finds, creates, and closes with residential real estate investors with the knowledge and tools earned through comprehensive education and experience. CIAS-designated agents can streamline the process of real estate investment to increase returns for investor clients.

A **Certified Distressed Property Expert® (CDPE)** has a thorough understanding of complex issues in today's turbulent real estate industry and knowledge of foreclosure avoidance options available to homeowners. CDPEs can provide solutions, specifically short sales, for homeowners facing market hardships.
